

Internship Service Certificate

Date: 10Mar2023

Student Name: YOGESHWAR .JB - B.Tech ECE 2Yr; 21BEC0521

Native City Vellore

This is to certify that Mr. YOGESHWAR .JB worked as an Ev Controller and Battery Engineering Intern on – Powertrain Industrialization Team in our organization from 11 August to 14 October 2022 He left our organization on account of the Completion of the Internship.

Throughout his time with us, he consistently demonstrated a strong work ethic, a keen eye for detail, and a genuine passion for the work he was doing. His contributions to our team were invaluable, and we are grateful for your dedication and hard work.

During his internship, his contributions to these projects helped us to further advance our technology and achieve our goals as a company.

He was an excellent team player and quickly adapted to our work culture. His positive attitude, willingness to learn, and eagerness to take on new challenges impressed us all. We believe that he has gained valuable experience and skills during his internship with us, and we are confident that he will excel in his future endeavors.

We are happy to award him with this Certificate of Completion, which recognizes his hard work and dedication during his internship period with us.

Note: As per Internship agreement rules, you should not disclose any confidential information related to technology, processes, the Company's plans, or any other area that you may have had access to or come across during your services with the Company, to any individual or organization, even after leaving the services of the Company.

We wish him all success in future endeavors. Yours truly,
